

# MIDLANDS MODEL ENGINEERING EXHIBITION

# ENTER YOUR WORK, BE PART OF THE SHOW

We have sixteen different categories across display and competition classes. To enter your work is free and categories include all types of models including locomotives, rolling stock, stationary and IC engines which reflects the variety featured in the exhibition as a whole. Prizes are awarded where appropriate and modellers not wishing to enter the competition can display their models in the display classes whether completed or under construction. Our panel of judges will assess the entries on the first day of the show and the awards ceremony will take place on the final day of the show.

# EXHIBITOR ENTRY FORM

## ENTER YOUR WORK:

All exhibitors receive a specially designed commemorative plaque and an attendance certificate. For security wherever possible all exhibits are linked to wired alarm systems; adequate barriers will protect all exhibits and night security will be maintained.

**EXHIBITION CLASSES** The sixteen classes are divided into two sections: **Competition** which will be judged by acknowledged experts and cups, etc. awarded and **Display** where exhibitors just wishing to display their work, finished or unfinished, may do so for the enjoyment of visitors.

**PLEASE NOTE:** Models entered in competition classes must be the work of the exhibitor, except in exceptional circumstances and with the prior agreement of the organiser. Any model previously awarded 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup> prize at the Midlands Model Engineering Exhibition may not re-enter a competition class, but may be exhibited in a display class. The Judges reserve the right to move any competition entry into another class when in their opinion the model has been entered in the incorrect class. Unfinished models should be entered into display classes only.

For guidance, the key points our judges will be considering are:

- Fidelity to prototype - Exhibitors should provide information on the prototype of the model with photographs or prints of the original as appropriate for the period which the model depicts wherever possible
- Workmanship and quality of the finish
- Your current or former trade or profession

There are no entry charges and cash prizes are awarded where applicable
