## PREVIEW OF THE MIDLANDS GARDEN RAIL SHOW 2022

We look forward to welcoming you to the 2022 Midlands Garden Railway Show after our enforced absence in 2021 due to COVID-19. It will be an opportunity for us all to try to get back to normal, enjoy our hobbies, renew old acquaintances and make new friends.

We are again pleased to be able to present a varied range of large-scale and garden railways. This year we once again welcome the superb Newchapel Junction Gauge 0 layout which has new features since we last saw it. We also welcome back several popular layouts including the Buckinghamshire Garden Railway Society's Whiteleaf Light Railway and, as ever, the nostalgic Gauge 1 tinplate display.

As usual there are numerous specialist suppliers offering a vast array of products so enabling purchasers to actually view locomotives, rolling stock and trackside accessories and judge offerings actually "in the flesh" rather than just relying on illustrations on line. So do make sure you take the opportunity to look at the wide range of products on offer.

We hope you will enjoy your visit and remember you can relax for lunch etc. in our mezzanine restaurant overlooking the show.
