PREVIEW OF THE MIDLANDS GARDEN RAIL SHOW 2018

We look forward to welcoming you to the 2018 Midlands Garden Rail Show – Large Scale Model Rail. Over the years the show has grown to become one of the leading Model Railway events dedicated to Garden Rail.

We are again pleased to be able to present a diverse range of large scale layouts in various gauges. Some layouts new to the show this year include Chalfont, Walesby and Belbroughton whilst old favourites Stanley Midland and the impressive Gauge One Tinplate display will also be running for your enjoyment.

As you go round the show you will see over 35 specialist suppliers offering a vast array of garden railway products including locomotives, rolling stock, track and accessories. Make sure you try to visit them all to see the full range of products on offer.

We hope you will enjoy your visit. Make sure to try the mezzanine restaurant for breakfast, lunch or tea - whilst still viewing and enjoying the action!

Tickets are available via our website or from the venue on the day. See back page for more information.
